B a n g a l o r e

Sir,

I have the honour to forward herewith an extract from the Register of applicants for the Engineering Scholarships of this year, and to inform you that there are seven applicants for the three scholarships Of the applicants five are B A 's and qualified to hold the scholarships Of the five graduates one is a Chetty by caste and the rest are Brahmins It is usual to give preference to such graduates as have passed in Mathematics I accordingly recommend that the following three applicants may be awarded the Engineering Scholarships of Rs 20 a month under the usual conditions in the Madras Engineering College for a period of three years commencing from 1st January 1902 -

1 M Srinivasa Raghava Chari B A

2 J Sampat Kumara Chari B A

3 Srira[illegible] Venkata Subba Setti B A

2 Mr W. Hutchin, officiating Chief Engineer, approves of the above selection though he thinks that he is not sure whether N Narasimhiengar B A who has passed in Geology should not be preferred to H Srinivasa Raghavacnar B A or Srirama Venkata Subba Setti B A The last named applicant being of the Chetty caste deserves encouragement He has moreover passed in Mathematics H Srinivasa Raghavachar also appears to be better qualified than N Narasimhiengar who has passed in Geology I enclose a copy of the printed notification of the scholarships

I have the honour to be

Sir

Your most obedient servant

H J Bhabha
